I believe I should go to the beach."

Make life cosy

Eat, sleep, live

Indoors and outdoors are not a contradiction in the BEACHY. Natural materials and fabrics bring that beach vibe inside. And with a few simple steps, you can set up your eating and lounge area outside. And of course you also have lots of storage space, comfy berths and a practical kitchen on board.

Sleeping area

Even adventurers have to sleep. Which makes it great that the seating area instantly turns into a comfy bed. All you have left to do is decide whether to read a bit of your favourite book or simply float off to dreamland.

Comfort topper

Eating

Everything tastes better outside? Then simply throw open the wide entrance door and let the view inspire you. The kitchen unit has room for everything you need to prepare a meal. The cool box is particularly convenient for ice-cold refreshments on the road.

Storage

Nice and neat: thanks to practical storage solutions, everything is quickly organised in the BEACHY. Super convenient: the walk-in wardrobe plus lots of fabric-covered baskets and compartments for cords, kitchen utensils and all your bits and bobs.

Living

Eat, play, live: the BEACHY seating area is a social place. The Beachhouse Style upholstery has been specially developed for the BEACHY look. Just like the practical folding table. It turns into an outdoor kitchen with an ocean view in a matter of seconds.
